PRESENTATION

Marian Adreani est né en 1989 à Craiova (Roumanie). Adopté à deux ans, il grandit en France et apprend la photographie en autodidacte.

Dés l'âge de treize ans, il fait poser sa famille et ses amis. Même si le portrait s'impose comme une prédilection, cela ne l'empêche pas de s'aventurer dans le reportage.

Anonymes ou célébrités, commande ou travail personnel, un désir commun : la rencontre.

Exposé à Paris, Marseille et sur les murs d'Arles pendant les Rencontres, son travail a été publié dans Le Monde, Libération, L'Officiel de la Mode, L'Oeil, Façade, Gala, Côte Magazine, La Marseillaise, Photo et Télérama entre autres.

Marian est représenté par la galerie Hegoa à Paris.
